SUBMISSION OF DEMANDS OF DEFENCE VETERANS AND THEIR WIDOWS TO CONSIDER FAVOURABLY IN 8TH CPC & ALLOW A MEETING WITH OUR REPRESENTATIVES

Respected Chairperson 8th CPC,

Our Federation of Veterans Associations represents lakhs of ex-servicemen, war-widows and their dependents through affiliation of 163 ex-servicemen organization from all over India.

We hereby requests your honour to please permit our delegation to meet in your office at convenient time and place to discuss the matter of various issues pertains to our segment.

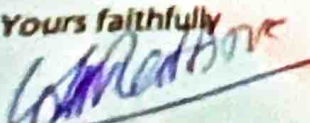

We would like to emphasize here that proper consideration is not taken in past while deciding/fixing norms of pay & pension in absence of representative of 97% stake holders i.e. JCOs and Other ranks of Army.

We urge that a large scale anomalies in OROP exists and needs to be removed before assessing pay and pension of defence personnel by CPC.

We are enclosing an Appx 'A' containing 19 demands to be considered favourably by CPC.

With most regards.

Yours faithfully

(Subedar Arjun Singh Rathore, Retd)
President
