OFFICE MEMORANDUM

Subject: Consideration of cases relating to extension of CGHS facilities to dependent sons/brothers suffering from critical/terminal illnesses under the decentralised STC mechanism – reg.

The undersigned is directed to refer to this Ministry's OM No. S.11030/54/2023-EHS dated 01.09.2026 regarding relaxation in age and marital status criteria for dependent sons and brothers suffering from critical/terminal illnesses under CGHS/CS(MA) Rules, 1944.

2. It is hereby clarified that cases relating to extension of CGHS facilities to dependent sons/brothers suffering from critical/terminal illnesses beyond the permissible age limit may also be considered under the decentralised STC mechanism prescribed vide Dte. of CGHS OM No. 56-1/2026-27/CGHS/MSD dated 01.09.2026.

3. In this regard, as there is no standing Medical Board in CGHS, it has been decided that the advice and prescription from a Government Specialist of the concerned specialty shall be taken as the medical recommendation for examination by the Local Technical Committee (LTC) constituted at the office of the Additional Director (AD), CGHS. Upon consideration and recommendation by the LTC at the AD level, the CGHS beneficiary card shall be issued/extended.

4. The CGHS card under this relaxation shall be issued initially on an **annual basis**. Further extension of the card beyond one year will be considered based on the production of fresh medical/treatment records demonstrating the ongoing nature of the illness. An indicative list of critical/terminal illnesses eligible for consideration under this provision is attached as **Annexure-A**.

5. Directorate of CGHS is requested to issue necessary instructions to all concerned for strict compliance.

This issues with the approval of the Competent Authority.

OFFICE MEMORANDUM

Subject: Decentralisation of approval procedure for selected STC-related cases under CGHS – regarding

The undersigned is directed to refer to the existing procedure for processing cases under the Standing Technical Committee (STC) mechanism of CGHS and to the referral guidelines issued from time to time. With a view to streamlining and decentralizing the approval process, the following procedure shall henceforth be followed:

2. This Office Memorandum shall apply to the following categories of cases:

Category	Nature of cases covered
Category–1	All Transplant cases having notified CGHS package rates or guidelines.
Category–2	Listed procedures, devices, and treatment items having notified CGHS rates or guidelines, including TAVI, DBS, IVL, cochlear implants, CPAP, BiPAP, Oxygen concentrators, and Continuous subcutaneous insulin infusion (CSII) pumps.
Category–3	STC-restricted medicines included in the list displayed on the CGHS website, as revised from time to time.
Category–4	Unlisted procedures, investigations, implants, medicines, devices, and other treatments.
Category–5	Robotic surgery for cancer cases.

3. General Guidelines applicable to all categories

(a) No separate referral, permission or endorsement shall be required where treatment is availed at AIIMS, Institutions of National Importance, Tata Memorial Hospital, or any other medical institution under the Central Government or a State Government.

(b) Approval in respect of cases falling under Categories 1 to 5 shall be accorded by the concerned Additional Director, CGHS, within the delegated financial powers, as revised from time to time, subject to fulfilment of the

Sainik Welfare news

following conditions:

(i) The case shall be supported by the recommendation, advice or prescription of one Government Specialist of the concerned specialty from any of the institutions referred to in sub-paragraph (a); **or**

(ii) where such recommendation is not available, the case shall be supported by the recommendations, advice or prescriptions of two specialists of the concerned specialty from two different CGHS-empanelled hospitals.

(iii) Each case shall be scrutinised by a three-member Local Technical committee as mentioned in **Annexure -I** before approval is accorded.

(iv) In the case of STC-restricted medicines, the approved indication shall be verified with reference to the approval or regulatory status granted by the Central Drugs Standard Control Organisation (CDSCO).

4. The general administrative provisions are enclosed vide **Annexure-I**. The relevant records shall be retained for audit, monthly reports shall be submitted to the Directorate, and the mechanism shall be reviewed every month.

5. All existing Office Memoranda/instructions requiring examination by the Standing Technical Committee (STC) shall stand superseded and subsumed by this Office Memorandum from the date of its issue.

6. This issues with the approval of the Competent Authority.

Annexure I

General Administrative Provisions

1. Referral to Directorate/STC

Cases not covered under categories mentioned in the Office Memorandum or exceeding the delegated financial powers of the Additional Director, shall be referred to the Directorate.

2. Technical Committee

A three-member Local Technical Committee, headed by the Additional Director and comprising two GDMOs, preferably possessing qualifications or experience in Medicine and/or Surgery, shall examine the cases placed before it.

3. Documents and Processing Timeline

Complete medical, administrative and financial records, as applicable, shall be placed before the Committee. The concerned office and the Committee shall make reasonable efforts to obtain any deficient documents or clarifications. Deficiencies shall ordinarily be communicated within 3 working days, and a complete case shall ordinarily be decided within 15 working days from the date of receipt of complete documents.

4. Post-facto Approval

Post-facto approval may be considered in an emergency, in unavoidable circumstances, or where prior approval could not be obtained for reasons beyond the control of the beneficiary, subject to supporting records and recorded reasons. Such cases shall undergo the same scrutiny as cases submitted for prior approval and shall not be treated as an automatic entitlement.

5. Detailed operational guidelines, monitoring and reporting requirements, digital functionality and standard formats shall be issued separately by the Directorate.
